## Work experience

### Gewest13 - Eindhoven

June, 2018 - Current

Designing and developing custom wordpress websites, while using the latests development techniques

### Mediaversa - Uden

July, 2014 - December, 2017

Designing and developing (usually) custom wordpress websites. In contact with costumers and learning them the ropes of wordpress content editing.

## Internship

### Gewest13 - Eindhoven

February, 2018 - June, 2018

Designing and developing custom wordpress websites. Learning about the latests development techniques and applying them.

### Mediaversa - Uden

September 2014 - January, 2015

Developing already designed websites to a working wordpress website. Small and major editing on existing costumer websites.

### Mediaversa - Uden

February 2014 - July, 2014

Mostly designing and finding the best way to develop a social platform for companies. Also doing some small HTML & CSS editing on existing customer websites.
